

COMMISSIONER PROCEEDINGS
Special Meeting
July 15, 2009

Minutes of the Wilkin County Board of Commissioners held at the Recycling Center Community Room, Breckenridge, Minnesota, on Wednesday, July 15, 2009. All Commissioners were present. Chairman Hovland called the meeting to order at 10:30 A.M. The purpose of the special meeting was for obtaining information for satisfying ditch issues and the proper procedure for forming of a watershed district.

Bruce Albright, Buffalo-Red River Watershed District, provided those in attendance with information regarding establishing a watershed district. He also provided information on proceeding with drainage issues in the County Ditch System.

With drainage issues on several of the County's ditches, that require almost immediate attention, the County is required to follow the same procedures used by Watershed Districts and will be assisted by Albright with this process. The County Engineer was directed to begin the proper process for the needed County Ditch repair and return to the July 21, 2009, meeting with proposals, etc.

With no further business before the Commission, and the next meeting set for July 21, 2009, in the Commissioners Room at 8:00 A.M., Chairman Hovland adjourned the meeting at 12:10 P.M.
