Minutes of the Wilkin County Board of Commissioners Special Meeting held at the Courthouse, Breckenridge, Minnesota on Friday, May 2, 2014. The purpose of the meeting was to receive information and discuss a staffing issue in the Public Health Department. All Commissioners were present. Chairman Hovland called the meeting to order at 8:30 A.M.

Debra Jacobs, Public Health Director, informed the Commission of the pending situation involving the resignation of a full-time staff nurse and other possible staffing concerns.

Consensus was also to wait for the market study currently being conducted on behalf of the County before taking further action.

With no further business before the Commission, Chairman Hovland adjourned the meeting at 9:12 A.M.
