

COMMISSIONER PROCEEDINGS
Road and Ditch Tour
June 7, 2011

Minutes of the Wilkin County Board of Commissioners Road and Ditch Tour held on Tuesday, June 7, 2011. All Commissioners were present, except Commissioner Miranowski. Also on the tour were Steve Neppl, Dan Swedlund, and Wayne Bezenek. The tour originated at the County Highway Department and began at 1:15 P.M.

County Ditch # 23 was viewed, which was a 2010 project.

That portion of County Ditch 6A located west of State Highway #9 was a 2010 project. East of State Highway #9 will be worked on in 2011.

The County Highway #30 project work was in process. A heating and grinding process of the top layer is then compressed back to the surface. An additional 1 inch overlay will complete the project.

The group stopped at the Lawndale County Shop to assess the condition of the building.

The Oscar Lake situation (assisting Otter Tail County) of pumping water to lower the lake level was visited. The result of the pumping, outlets water into Joint Ditch # 2 and eventually the Otter Tail River.

On the return trip to Breckenridge the ditch cleaning process on County Ditch # 3 was observed.

The tour ended at the County Highway Department at 3:45 P.M.
