

COMMISSIONER PROCEEDINGS
Special Meeting
May 2, 2014

Minutes of the Wilkin County Board of Commissioners Special Meeting held at the Courthouse, Breckenridge, Minnesota, on Friday, May 2, 2014. Purpose of the meeting was to discuss a possible re-zoning of the land for the proposed County Fair relocation. All Commissioners were present. Chairman Hovland called the meeting to order at 8:00 A.M.

Bruce Poppel, County Zoning Officer, proposed two (2) options to follow, a standard schedule or an accelerated schedule. The latter would be completed by June 17th and would allow the Ag. Society to move forward with an interim use permit application which would allow fundraising activities on the premises.

Motion by Perry, seconded by Folstad and carried, to authorize re-zoning of the property with the use of the proposed accelerated schedule.

With no further business before the Commission, Chairman Hovland adjourned the meeting at 8:29 A.M.
